

Across the Lake 2018

The Dances

WHAT TO EXPECT All dances will be taught and walked through. In addition, the dances will be prompted/called to the music at least 4 times through the dance. So you need not prepare or study in advance. The evening programs are enjoyable, accessible and stress-free. In an effort to encourage a fun, easy-going, friendly, casual atmosphere, dance instructions will not be available.

VIDEO LINKS David Tilove has generously offered to compile and post videos of our dances on the Lambertville Country Dancers website. You can view these videos at <http://www.lambertvillecountrydancers.org/DanceProgramsAnnotated.html> Just scroll down to "Across the Lake". The dances as called at our weekend may be different from the videos. These videos will give you a feel for the event's dances/programs; they are **not** posted to be studied and/or memorized. A note from the callers: These video links should be used for reference only, not for instruction or for style. They are not a substitute for learning the dance from trusted local or regional callers, in person. Some videos are inspiring, but some include errors, or exhibit poor style or execution. Videos with manifest errors or adaptations for demonstration have not been included.

SATURDAY AFTERNOON There are two Saturday afternoon sessions, held at the same time (1:30 to 4:30pm) but in two different halls:

- Review Session w/Style Tips for All (features dances on the Saturday night program)
Small Hall with Mary Jones, Pat MacPherson, Sarah Babbitt Spaeth, Jonathan Werk
- Challenging Workshop for Experienced Dancers
Big Hall with Graham Christian & Bare Necessities

The Challenging Workshop is not suitable for beginners and features more challenging/unusual/uncommon dances aimed at experienced dancers, while the Review Session includes tips and style points for more enjoyable dancing and is for anyone who would like to be better prepared for Saturday night.

Please be advised that the Challenging Workshop in the Big Hall requires a high degree of confidence in basic figures (e.g., double figure-eights, cross-over mirror heys, heys for 3 & 4) & some familiarity with more advanced/unusual figures (e.g., chevrons). Dancers are expected to dance the basic figures without assistance; talk-thru's & walk-thru's will be brief.
